Audited Statements

All companies must file quarterly financial statements within 30 days of the quarter's end. The statements are to be reviewed by an auditor within 45 days of the quarter's end. Additionally, companies must file annual financial statements within 60 days of the fiscal year's end, which are to be reviewed by an auditor within four months of year-end.

Additional Information

Information on operations and financial structure that might affect share prices and shareholders' interests are to be reported by 9 a.m.
