

## **Juriconnexion's Annual Convention November 23, 2006: Legal Internet 2.0**

This annual convention aims at clarifying new trends in legal information in particular the Web 2.0 (Legal monitoring, Business intelligence, Technology watch, research, storage, exchanges...). Alternating concrete talks and shows, the 2006 convention of Juriconnexion gathers together professionals using sources and resources of the legal Internet and to identify and develops new techniques in the use of the Internet.

Issues to be addressed are: new tools such as Wikis, blogs, RSS feeds and XML in the world of legal documentation as vehicles for legal information.

The annual meeting will take place on November 23, 2006, at Clifford Chance, 9 place Vendôme, 75001 PARIS from 9 AM to 6 PM.

The detailed program and its application form are available below.
